## **FOR TRAINEES**

### **NEW - DERMPATH BOWL**

**MARCH 15, 2023, 7 :00 – 7 :50 AM**

Director – Dr. Rossitza Lazova

In this fun competition individual residents and fellows will have an opportunity to shine with their knowledge in Dermatopathology by making the correct diagnosis. Cases will be presented as a series of photomicrographs in a Power Point format for one minute per case. After each case, the participants will write their answer on a piece of paper. The correct diagnosis will be discussed. Those with the correct diagnosis will continue the competition. At the end, winners will be determined. They will receive monetary awards and certificates.

*It would be great to talk about that during your interview with a Dermatopathology Fellowship Director and write it in your CV, wouldn't it? Come and join the Dermpath competition and fun!*

### **FELLOWSHIP INFORMATION SESSION AND BREAKFAST**

**MARCH 16 ,2023, 7 :00 AM – 7 :50 AM**

Director - Dr. Rossitza Lazova

Attend a panel discussion with Q & A on how to secure a position in a Dermatopathology Fellowship Program. Tips and advice from Dermatopathology Fellowship Program Directors.
