

Department of Anatomic Pathology
University of California San Francisco, School of Medicine presents

36th Annual

Current Issues in Anatomic Pathology

Thursday - Saturday

May 21-23, 2020

NEW! Parc 55 San Francisco, A Hilton Hotel

UCSF

Current Issues in Anatomic Pathology

Thursday - Saturday

May 21-23, 2020

Daily Self-Assessment Modules
(SAMs) will be offered for SAM credits

Cytology Seminar

Interactive Microscopy

Wednesday, May 20, 2020

(separate fee, limited enrollment)

- Highlighted topics: **Head & Neck, GYN, GI, Lung & Molecular Pathology**
- Henry Moon Lecturer: **Lester D. R. Thompson, MD**
- Additional Guest Lecturers: **Drs. Esther Oliva, Rish Pai, Robert Soslow**
- **Special Saturday Tribute & Dedication to Dr. Charles Zaloudek (GYN Pathology)**
- **NEW! Ultrasound-guided Fine Needle Aspiration Technique Workshop**
- Lunchtime tutorials: **Soft tissue, GU, Hemepath**
- Evening Interactive Microscopic Sessions: **Prostate, Infectious Disease Pathology**

36th Annual

Current Issues in Anatomic Pathology

May 21-23, 2020

This annual course addresses a wide range of topics in anatomic pathology and explores new and evolving areas in the diagnosis and analysis of disease. It aims to provide the latest practical and theoretical information that will aid the practicing pathologist in solving those problems most often encountered in the anatomic pathology laboratory. An audience response system will facilitate questions and discussion. Optional interactive microscopy seminars and tutorials will provide ample additional opportunity for interaction with expert faculty.

OBJECTIVES

The principal objective of this activity is to identify areas of diagnostic difficulties and challenges in everyday surgical pathology and cytopathology practice, and to provide expert insight on selected topics through different educational formats. Educational experience is further enhanced through collegial contact and one-on-one interaction throughout the course. The topics selected each year reflect areas in which substantial information and progress has been made (as identified through recent publications and other data-gathering efforts). The topics of discussion also focus on areas in which there is significant difficulty in interpretation of pathological features. In general terms, we expect that at the end of this course, the participants will be able to:

- Identify common mistakes and pitfalls in the diagnosis of specific diseases in everyday surgical pathology;
- Recognize mimickers of specific diseases in each specialty and learn to interpret special studies that will allow easier differential diagnosis;
- Learn the pertinent histopathological characteristics of diseases to allow unequivocal diagnosis;
- Identify new and additional components of the pathology report that will improve its clinical value;
- Learn about the recent changes/modifications in the pathological classification of diseases or lesions;
- Understand how they can be more helpful to the clinicians or surgeons in the management of patients with these diseases.

TARGET AUDIENCE

The target audience for this course includes practicing pathologists, pathology residents and fellows, and diplomats or trainees in pathology.

2020

Cytology Seminar

Wednesday, May 20, 2020

2020

CYTOLOGY SEMINAR (SFVAMC, Bldg. 2, Floor 3, Anatomic Pathology)

Enrollment in this seminar is limited to **18 persons** on a first-come, first-served basis. The seminar will be held on the UCSF San Francisco VA Medical Center campus.

Shuttle service will be provided between the Parc 55 Hotel and the San Francisco VA Medical Center.

Seminar Registration Fee: **\$325**. Enrollment limited to 18 participants.

Please call the registration office (415-476-5808) to verify space is available before sending payment for the Cytology Seminar.

FACULTY

Ronald Balassanian, MD *Professor of Pathology, UCSF*

Gioia Iezza, MD *Professor of Pathology, UCSF*

Joshua Menke, MD *Assistant Professor of Pathology, UCSF*

Poonam Vohra, MD *Associate Professor of Pathology, UCSF*

Course Chair: **Laura Tabatabai, MD** *Professor of Pathology, UCSF*

EDUCATIONAL OBJECTIVES

The seminar is designed to present the audience a hands-on experience in diagnostic problems in everyday cytopathology practice and an update on recent developments in the use of special techniques in cytopathology. At the end of the cytopathology course, the learner will be able to identify common problem areas in cytopathology practice, recognize potential pitfalls, and develop a differential diagnosis and a management plan. The learner will be able to identify the practical benefit of special techniques.

SEMINAR SCHEDULE - WEDNESDAY MAY 20, 2020

7:30 am	<i>Shuttle Departs from Parc 55 Hotel, San Francisco</i>	
8:10	<i>Registration, Coffee, and Greetings (Rm 344)</i>	
8:30	CONCURRENT SESSIONS	
	A. The Impact of the The Paris System (TPS) for Reporting Urinary Cytology (Rm 343)	Poonam Vohra, MD
	B. A Potpourri of Interesting and Challenging Cytology Cases (Rm 253)	Gioia Iezza, MD
10:00	<i>Break (Rm 344)</i>	
10:20	CONCURRENT SESSIONS	
	A. A Potpourri of Interesting and Challenging Cytology Cases (Rm 343)	Gioia Iezza, MD
	B. The Impact of the The Paris System (TPS) for Reporting Urinary Cytology (Rm 253)	Poonam Vohra, MD
11:50	<i>Lunch provided (Rm 344)</i>	
12:45 pm	CONCURRENT SESSIONS	
	A. FNA Biopsy of Soft Tissue Lesions (Rm 343)	Ronald Balassanian, MD
	B. Cytologic Diagnosis of Hematolymphoid Lesions (Rm 253)	Joshua Menke, MD
2:15	<i>Break (Rm 344)</i>	
2:35	CONCURRENT SESSIONS	
	A. Cytologic Diagnosis of Hematolymphoid Lesions (Rm 343)	Joshua Menke, MD
	B. FNA Biopsy of Soft Tissue Lesions (Rm 253)	Ronald Balassanian, MD
4:15 pm	<i>Shuttle Departs from Parc 55 Hotel, San Francisco</i>	

WEDNESDAY, MAY 20, 2020

Cytology Seminar – Limited registration, separate fee required

THURSDAY, MAY 21, 20207:30 am *Registration, Continental Breakfast, and Poster Session*8:20 **Introductory Remarks and Welcome** Linda Ferrell, MD and Joseph Rabban, MD, MPH8:30 **Differential Diagnosis of Colitis** Rish Pai, MD, PhD9:20 **Neuroendocrine Neoplasms: Updates to Classification and Diagnostic Challenges** Nancy Joseph, MD, PhD10:00 *Break*10:20 **Diagnosis and Management of Conventional and Non-Conventional Dysplasia in Inflammatory Bowel Disease** Won-Tak Choi, MD, PhD11:00 **Barrett's Esophagus and Early Esophageal Adenocarcinoma** Rish Pai, MD, PhD12:15 pm - 1:15 pm **Optional Lunch Tutorial A: Updates From the New WHO Classification of Soft Tissue and Bone Tumors or Lunch on Own** Amir Qorbani, MD1:30 **Cancer Diagnostics: From Histomorphology to Molecular Profiling** Patrick Devine, MD, PhD2:10 **Updates and Complexities in the Diagnosis of Aggressive B-Cell and/or T-Cell Lymphomas** Robert Ohgami, MD, PhD3:00 *Break*3:20 **Problem Areas in Placental Pathology** Soo-Jin Cho, MD, PhD4:00 **Mucinous Carcinomas of the Lung. Don't Think it is Difficult Because it's 'Not** Kirk Jones, MD4:30 **The Vaping Gun: Finding the Smoking Gun in Vaping-Associated Lung Injury** Kirk Jones, MD5:00 pm *Adjourn***Optional Interactive Microscopy Sessions and Hands-on US-FNA Workshop, Mission Bay campus** (Limited registration, separate fee required)5:15 *Transportation Departs from hotel lobby to Mission Bay Campus Pathology Department*6:00 **Infectious Disease Pathology: A Practical Approach** Dianna Ng, MD6:00 **Recognizing Intraductal Lesions of the Prostate: Getting the Right Diagnosis and Giving the Right Message** Jeffrey Simko, MD, PhD6:00 **Ultrasound-Guided FNA Workshop**
Ron Balassanian, MD • Nancy Greenland, MD, PhD • Lucy Han, MD • Roberto Ruiz-Cordero, MD • Kent Truong, MD7:30 *Transportation back to hotel***FRIDAY, MAY 22, 2020**7:30 am *Continental Breakfast and Poster Session*8:30 **Thyroid Cytology in the Era of Molecular Testing** Elham Khanafshar, MD, MS9:15 **Update on Odontogenic Tumors: WHO and What is New** Richard Jordan, DDS, PhD10:00 *Break*10:20 **No Walls in Pathology: Non-Carcinomatous Neoplasms that Frequently Cross the ENT-Neuro Border** Arie Perry, MD

FRIDAY, MAY 22, 2020 *continued*

11:10	Something Old, Something New, Something Borrowed, Something Blue	Lester D. R. Thompson, MD
12:15 pm - 1:15 pm	Optional Lunch Tutorial B: Problematic Renal Lesions: Can I Call It RCC? Does it Need Molecular Testing? Or Lunch on Own	Emily Chan, MD, PhD
1:30	AJCC 8th Edition: Changes Impacting Staging of Head and Neck Cancer	Annemieke van Zante, MD, PhD
2:15	Selected Topics in Head and Neck Pathology: Challenging Cases and Recent Advances	Steven Long, MD
3:00	<i>Break</i>	
3:20	Practical Ocular Pathology	Melike Pekmezci, MD
4:00	HENRY MOON LECTURE: Mr. Sleep: Nothing to Sneeze At	Lester D. R. Thompson, MD
5:00 - 7:00 pm	Wine & Cheese Reception Parc 55 Hotel, San Francisco - Cyril Magnin Foyer, 4th Floor	

SATURDAY, MAY 23, 2020

7:30 am	<i>Continental Breakfast and Poster Session</i>	
8:30	A New and Better Take on Endocervical Adenocarcinomas	Robert Soslow, MD
9:20	The Evolving Spectrum of Mullerian Tumors of the Uterus	Esther Oliva, MD
10:10	<i>Break</i>	
10:30	Endometrial Biopsy Interpretation: Challenges and Pitfalls	Karuna Garg, MD
11:10	The Evolving Story of Uterine Sarcomas	Robert Soslow, MD
12:15 pm - 1:15 pm	Optional Lunch Tutorial C: Challenging Hematolymphoid Cases from Daily Surgical Practice Or Lunch on Own	Kwun Wah Wen, MD, PhD
1:30	Ovarian Serous Tumors: Practical Strategies for Challenging or Controversial Issues in Classification, Staging and Reporting	Joseph Rabban, MD, MPH
2:15	Stromal and Sex Cord Tumors of the Ovary: Past, Present, and Possible Future	Esther Oliva, MD
3:05	<i>Break</i>	
3:25	Ovarian Germ Cell Tumors: New Insights and Persistent Problems	Joseph Rabban, MD, MPH
4:10	Common and Uncommon Inflammatory Diseases of the Vulva	Thaddeus Mully, MD
5:00 pm	<i>Adjourn</i>	

HENRY MOON LECTURER

Lester D. R. Thompson, MD

With more than 26 years of experience in Head and Neck and Endocrine Pathology, Dr. Lester D. R. Thompson worked for a decade at the Armed Forces Institute of Pathology (Washington, DC), in Otorhinolaryngic-Head and Neck Pathology, Endocrine Pathology and Immunohistochemistry (Chief of the divisions). He has continued as a consultant, research pathologist, lecturer at national and international conferences and is a widely published author and expert, who also serves on the WHO Editorial Board as well as the editorial board for many scientific journals.

We are pleased to welcome Dr. Thompson as our 2020 Henry Moon Lecturer.

A TRIBUTE TO DR. ZALOUDEK

Charles "Chuck" Zaloudek, MD

After 27 years at UCSF, Charles "Chuck" Zaloudek is retiring. In tribute, the Saturday program is dedicated to gynecological pathology, including two special guest lecturers, Drs. Esther Oliva and Robert Soslow. Chuck is a graduate of UC Berkeley, The Johns Hopkins Medical School, Stanford University, and MD Anderson. After a stint as a military physician, Chuck pursued academic surgical pathology followed by private practice before joining UCSF. For nearly three decades he has been the pathologist's pathologist, an international consultant in gynecologic pathology, author of many textbooks, including the WHO blue book, a popular lecturer and an admired teacher. He looks forward to enjoying his well-earned retirement with his wife Jane.

ACCREDITATION The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

MAP20001A – Current Issues in Anatomic Pathology UCSF designates this live activity for a maximum of **24 AMA PRA Category 1 Credits™**. The live course is accredited for **19.5** with four optional sessions up to **4.5** additional credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

MAP20001B – Cytology Seminar UCSF designates this live activity for a maximum of **6.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts **AMA PRA Category 1 Credit™** issued by organizations accredited by the ACCME.

Physician Assistants: AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and **AMA PRA category 1 credit™** from organizations accredited by the ACCME.

Pharmacy: The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for **AMA PRA Category 1 Credit™**.

American Board of Pathology MOC: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **30.5 MOC** points in the American Board of Pathology's Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABPath MOC credit. **IMPORTANT:** The online course evaluation must be completed by the due date specified. Within 45 days after submitting your evaluation, we will report your MOC points.

American Board of Pathology Self-Assessment Modules: This year's course will offer SAMs, which are approved for **AMA PRA Category 1 Credits™**. To earn SAMs credit, you will need to complete and pass an online test.

GENERAL INFORMATION

Advance registration closes one (1) business day prior to start of course.

HOW TO ENROLL

Current Issues in Anatomic Pathology

(MAP20001A) – Registration Fees:

\$855	Physicians
\$805	Nurses/Advanced Health Practitioners
\$460	Residents/Fellows

Single Day Rate:

\$350	Physicians
\$325	Nurses/Advanced Health Practitioners
\$175	Residents/Fellows

Lunch Tutorials - \$95/each (includes lunch)

Evening Tutorials - \$135/each (limited enrollment)

Cytology Seminar (MAP20001B)*

Registration Fees:

\$325	Physicians
	Nurses/Advanced Health Practitioners
	Residents/Fellows

***Enrollment limited to 18** – enroll online or by phone only at cme.ucsf.edu or call (415) 476-5808 to verify that space is available. Do not mail or fax a registration for the Cytology seminar.

Payment can be made by Visa, MasterCard, AmEx or check.

REGISTER VIA

Online: cme.ucsf.edu

Mail: Complete course registration form and send with payment to:
UCSF Office of Continuing Medical Education
3333 California Street, Suite 450
San Francisco, CA 94118

Fax: Fax completed registration form to: (415) 502-1795 (be sure to include your credit card number)

Phone: To register by phone or to inquire about registration status, please call UCSF's CME Registration Office at (415) 476-5808.

Please check our website for up-to-date information on the course: cme.ucsf.edu

ON-SITE REGISTRATION

Generally we are able to accommodate on-site registration at our courses, however pre-registration is preferred to ensure that we have adequate course materials.

REFUND POLICY

Cancellations received in writing before **May 15, 2020** will be refunded, less a \$75 administrative fee. No refunds will be made on cancellations received after that date.

CONFERENCE LOCATION

The Parc 55 San Francisco is just steps from Union Square and the theatre District and centrally located to many of San Francisco's famed sights such as the Embarcadero waterfront and Fisherman's Wharf. A block of guestrooms has been reserved at the special UCSF conference rate of **\$239/night**. You are urged to make your reservations early. The cut-off date is **April 28, 2020**, or until the group room block is filled. After this date, rooms will be provided on a space-available basis only. To make hotel reservations please call 415-771-1400 and identify yourself as a member of this UCSF conference to receive the special rate.

You can also reserve your hotel rooms on-line by visiting the course webpage on our website at cme.ucsf.edu and clicking on the reservations link in the Travel & Lodging section.

By staying at the host hotel, you help UCSF meet its contractual obligations and keep registration fees reasonable.

AIR TRANSPORTATION AND RENTAL CAR

UCSF has negotiated special fares with airlines and car rental agencies. Please visit the TRAVEL AND LODGING section on the course webpage at cme.ucsf.edu for more information and discount codes.
