

INTERNATIONAL SOCIETY OF DERMATOPATHOLOGY

ISDP 2022 Travel Grant Award

About the Award

The International Society of Dermatopathology (ISDP) Travel Grant Award provides funding for physicians from all countries with the exception of USA, Canada, Western Europe, Japan, and Australia, to attend a meeting of the International Society of Dermatopathology

Four grants in the amount of \$2000 each are awarded annually to qualified applicants

These grants are intended to help with the costs of attendance of one of the ISDP meetings

Included in the award is a one year of free ISDP Associate Membership, accompanied by a subscription of the American Journal of Dermatopathology

An oral or poster presentation at the meeting is required

Through these awards, the ISDP plans to:

- Reinforce its global presence
- Foster, promote, and support Dermatopathology throughout the world
- Provide a forum for the exchange of ideas and research in Dermatopathology
- Facilitate establishing relationship between Dermatopathologists throughout the world

Selection Criteria

- Grants will be awarded on the basis of the anticipated positive impact this experience will have on the field of Dermatopathology in the recipient's country
- All applicants must be physicians practicing Dermatology or Pathology
- Candidates must demonstrate a strong interest in the field of Dermatopathology
- Candidates are required to participate at the meeting by either oral or a poster presentation

Duration

The 2022 grants award must be used between:
January 1, 2022 – December 31, 2022
